NEW YORK STATE GENERAL RULES

INCOMPLETE FINISHES — (RULE 4122.19) — (a) When two horses finish a race, the show pool, if any, shall be distributed the same as in a place pool. (b) When only one horse finishes a race, the place and show pools, if any, shall be distributed the same as in a win pool. (c) In any race in which no horses finish, all money wagered shall be refunded.

COUPLED ENTRY SCRATCHES — (RULE 4122.27) — If after wagering has begun on a race, a horse programmed to start as a coupled entry or field is scratched in such a race, all betting upon such coupled entry or field shall cease and all money theretofore wagered upon such coupled entry or field shall be refunded. Notwithstanding the termination of betting upon all horses which are part of such coupled entry or field, which are not scratched, shall start in such race as a non-betting interests for the purse, and the finish of such horses in the race shall be disregarded for pari-mutuel purposes. Such circumstances shall be announced by public address and explained to the public at the time of such action and thereafter as may be necessary to adequately inform the public.

RECALLS — (RULE 4115.5A) — Once the horses have turned to the gate and the field of horses is in motion, all horses will be considered starters for pari-mutuel purposes and there will be no recall, unless (1) A horse fails before the word GO is given. (2) There is interference. (3) A horse scores ahead of the gate. (4) A horse has broken equipment.

RAINCHECKS — In the event of a cancellation of any program before completion of a numerical majority of the races scheduled to run on such program, rain checks shall be issued, but no rain check shall be valid beyond the close of the meeting at which it is issued.

THE MORNING LINE — is the track handicapper's opinion of the probable closing odds. The actual odds in all races are determined by the bettors, in case of late scratches, see the mutuel tote board for revisions.

BREAKING HORSES — (RULE 4117.13) — (a) When a horse breaks from its gait, the driver shall;

1. Avoid interference with another horse or driver;
2. take to the outside where clearance exists;
3. pull his horse to the proper gait;
4. use ground by the breaks.

(b) If there has been no failure on the part of the driver in complying with 1 through 4 of subdivision (a) the horse shall not be set back unless a contending horse on his gait is lapped on the hind quarter of the breaking horse at the finish.

QUALIFYING RACES AND WORKOUTS — are not competitive and are merely used to determine the manners of a horse and its ability to complete the course within time standards set by the Judges for the class in which the horses will compete.

DO NOT DESTROY MUTUEL TICKETS UNTIL RACE IS OFFICIAL — When a race is official, a signal will be flashed on the result board. (The posting of the order of finish does not signify the race is official.) Hold your tickets until the results are official.

MUTILATED TICKETS — Payments of torn or mutilated tickets is subject to inspection of said tickets by the New York State Tax Commission and validity of tickets is subject to approval of said Commission.

ALL WINNING PARI-MUTUEL TICKETS — must be presented for payment before April 1st of the year following purchase, and failure to present such tickets before such date, shall constitute a waiver of the right to participate in the award or dividend.

COUPLED ENTRIES AND FIELDS IN QUINELLA AND EXACTA RACES — For pari-mutuel purposes, only the best finishing horse in any coupled entry or field will be recognized for the Quinella or Exacta pool calculation. For all WIN, PLACE & SHOW pools, each individual horse in coupled entry or field is recognized for the win, place and show pool calculation.

THE DAILY DOUBLE — - In order to win a Daily Double, it is necessary for the purchaser to select the winners of each of the two races specified for the Double. If either of the selections fails to win, his contract is void, except as provided by Rule 4122.24.

THE EXACTA OR PERFECTA — In order to win an Exacta or Perfecta, the purchaser must select, in order, the first and second place finishers in the designated Exacta or Perfecta race. (Rule 4122.39)

THE QUINELLA — In order to win a Quinella, the purchaser must select two horses to place first and second in the designated Quinella race, the order of placing of the said two horses being immaterial. (Rule 4122.42)

THE TRIPLE — In order to win a Triple, the purchaser must select three horses to place first, second and third in exact order to finish. In the event less than seven horses start, the Triple shall be declared off and the gross pool refunded. With the approval of the Judges, a track may schedule Exacta or Perfecta wagering in place of Triple wagering if time permits.

FEDERAL REQUIREMENTS — On payments of over $600 on $2 Wagers and of $900 on $3 wagers, two valid identifications are required, one of which must be a Social Security Card. The identification is for the use of the Internal Revenue Service and any mis-representation or false statement made hereon is a violation of Title 26, U.S. Code, which carries a maximum penalty of $10,000 fine or five years in prison or both. Federal income tax must be withheld as a part deduction at a rate of 20% of any winning payments of more than $1,000 and the odds of 300 to 1, in accordance with the IRS Instructions. The identity of the actual winner is furnished to the Internal Revenue Service for determination of income tax liability. It is a violation of Federal Law to file, aid false information or to aid or assist another in furnishing false information.

ERRORS IN PAYMENTS — (a) — If an error is made in posting payoff figures on the public board, it may be corrected promptly and a statement explaining the facts made over the public address system. (b) In the event of an error in calculations of payoff prices which results in underpayment to the public and payments have been made to the public, the amount of the underpayments made before a correction is posted shall transfer as directed by the Presiding Judge to the corresponding pool or pools or a subsequent race or races. (Rule 4122.20)

GENERAL INFORMATION

Minors are not permitted to make wagers.

No pari-mutuel tickets shall be sold except through regular windows or through messengers.

All winning pari-mutuel tickets must be presented for payment before April 1st of the year following their purchase, and failure to present any such ticket before such date shall constitute a waiver of the right to participate in the award or dividend.

MAKE ALL WAGERS EARLY

Genesee-Monroe Racing Association, Inc. is not responsible for incomplete transactions after mutuel machines are locked.

WHEN FOUL IS CLAIMED

In the event of a foul being claimed the word "OBJECTION" will flash on Result and Mutuel boards and announcement by the Public address system.

PHOTO FINISH

When "PHOTO" appears on the Result Board, there will be a short delay in posting results to allow the judges to inspect photographic plate of the finish.

The Starter shall endeavor to get all horses away in position and on gait but no recall shall be had for a bad actor or breaking horse. There shall be no recall after the word "go" has been given and any horse regardless of position or an accident, shall be deemed a starter.

The Starter may sound recall only for the following reasons:

1. A horse scores before the gate.
2. There is interference.
3. A horse has broken equipment.
4. A horse falls before the word "Go" is given.

HOW TO BOX AND WHEEL YOUR HORSE

BOX TICKETS: The term "Box" is used when you place a wager on two or more horses in one race and wish to cover their every possible winning order of finish. Betting the "Box" is no more than making multiple wagers on one ticket.

EXACTA BOX TICKETS

CHOOSE WIN AND PLACE IN EXACT ORDER OF FINISH: Let's play the Exacta Box using 3 horses in the 4-5-8 post positions. In this case a 3 horse box combination ticket costs $6.00 because you are covering 6 possible finish positions at $1.00 each. Your combinations are 4-5, 5-4, 4-8, 8-4, 5-8, and 8-5. You would say to the Clerk "$1 Exacta, Box 4-5-8."

To box 2 horses (2 combinations) $2.00
To box 3 horses (6 combinations) $6.00
To box 4 horses (12 combinations) $12.00
To box 5 horses (20 combinations) $20.00
To box 6 horses (30 combinations) $30.00
To box 7 horses (42 combinations) $42.00
To box 8 horses (56 combinations) $56.00
